GenR8 was established in 2001 as a team of five volunteers who wanted to present entertaining Christian assemblies in primary schools. Our West Norfolk Team now visit about 45 schools, reaching up to 6000 children each term.

Our assembly presentations seek to combine fun and faith with songs, puppets, sketches, stories and lots of participation from the children. High quality material is provided for teams, along with guidance from experienced team members.

What GenR8 volunteers say:

- "It is one of the most worthwhile things I have ever done."
- "The opportunity to get involved was too good to miss!"
- "It's a lot of fun, and so well received by the children."
- "It was exciting to be part of the children's journey in finding out more about our God."
- "I really, really enjoyed the tour and can't wait to see what happens next!"
- "I enjoyed every minute."
- "Whatever your age or ability there is a place for everyone."
- "How good it is to tell people about Jesus!"
